

# Bay Bridge Boat Show 2010

Dear BBBS Exhibitor,

We can help you generate more *qualified* leads and sales  
at the Bay Bridge Boat Show 2010  
*Easily, Effectively & Inexpensively*

**How does it work?** Our innovative software “introduce” matches you with 2,000+ relevant prospects (e.g. those who have previously visited the show). The result? A highly relevant list for YOU. *If you want us to, we will even add your existing contacts to this list at no extra cost.*

We then create and send hand-customized letters and/or emails to the persons on the list, putting YOU in front of qualified prospects coming to the show.

**The Benefits:** Headstart on the competition, significantly increasing your chance to do more business before, during and after the show. Qualified prospects can set up appointments with you during the show, optimizing your time and ROI.

**Easy, Effective and Inexpensive:** There is no effort or time commitment required from you; no design or technology skills required on your part. We do it all for you for an introductory price of \$995.

**Limited Offer:** To maintain effectiveness, available on first-come, first-served basis to 25 exhibitors. Please visit [amidus.com/BBBS.aspx](http://amidus.com/BBBS.aspx) for complete details.
